## From 1/18 Thru 3/18

### **Proposal #1801001**

**Maker** – Treasurer

**Supported by** – Parliamentarian 1

**Proposal** – add to the end of GOASCNA Policy IV-G: or Area Vice Chairperson for the electronic payments by the by the Treasurer. Electronic Payments may be approved for:

1. Payments for budgeted monthly services such as the Helpline .
2. Payments to the RSO [Regional Service Office] for literature orders taken at previous month's ASC including the minutes.

**Purpose** – To provide a more efficient means to pay essential bills. Many vendors are set up for electronic payments and it is their preferred payment method. Transactions are immediate, do not get lost, and reduce costs to NA. Also the RSO is not requiring payment prior to shipping our literature orders, so a better means is needed to ensure on-time arrival.
