General Report

We ordered \$582.81 in literature for this month. We checked in the minutes for October and the new quick literature order form with the 3 new items on it has been placed in there for the area to now use. We did a new count of all literature in our inventory and the new total as of this month is \$410.44 English and Spanish combined. The break down is as follows \$102.95 is English, \$173.95 is Spanish, and \$133.54 are the new group starter kits, 2 in English and 2 in Spanish. We talked together and we are not sure what to do with all the Spanish inventory we have. In the past 2 orders we have only placed an order for a couple Spanish medallions which we did not have in inventory. We are open to suggestions from the groups in the area.
