September Chair report

First we welcome all our new ASC members.. Glad your with us..

A very heartfelt "Thank You", to all present last month for the opportunity to experience our first "Consensus Based Decision Making Process Area". You Guys Rock! Many thanks again to our previous Chair Steve, in his commitment to serve our Area..

Due to time restraint we were not able to meet for the ASC adhoc last month, which will be our primary tool in accomplishing our purpose in unity for Group Support and Local Services.

I had the opportunity to attend various Service Workshops at our World Convention and was very appreciative for the direction we are going as far as our "Service System", proposals. There was also an opportunity as usual to have "Questions and Answers", with our "World Board Members", which was very informative.

In Loving Service,

Richard A. Chair

Terry C. Vice-Chair
