Concerns or Needs

A phone carrier had there personal phone cut off, immediate actions took place , the back up kicked in and held the line in position to be of service. N/A

Helpline carriers know that two back up lines are in place if there is a immediate cut off from there personal service. The Manuals are still being worked,

On and progress is continuously assumed, we also dialogued about another carrier as far as incrementing lesser time for carriers, and also the,

Budget was discussed? if funds are needed the proper way to allocate permission through our treasurer. we then felt all hearts were satisfied and,

Closed accordingly.
