

GOASCNA Adhoc on Local Service Structure Report

ASC Date: 10/9/2011

Meeting Date: 9/11/2011 3:04 PM

Members Present: 6

Location: Englewood Community Center

Opened the meeting with a moment of silence followed by the Serenity Prayer.

GENERAL REPORT:

We discussed the implementation of Consensus Based Decision Making and the Areas progress. Topics of discussion where:

- The need to understand and educate the Groups on the role of the GSR in Consensus Based Decision Making. The GSR should come to the ASC with their Groups conscience in order to participate in the discussions on the Area floor. There may not be a yes or no answer to every proposal. The GSR should be able to change their initial vote based upon the discussion on the floor and modification of the proposal. **GSRs need to educate their Home Groups on their role at ASC.**
- All members participating should be aware of the discussion and not repeat concerns that have already been expressed.
- Each member should be allowed to share one time during the discussions so that all members can be heard and it does not turn into a debate.

We also distributed the most current WSC "Service System Proposal" to each member for review. Our next meeting will discuss the GSU (Group Support Unit) and how that would look in our Area. Hope to see you there!

In loving service,

Steve C
