

GOASCNA Hospitals and Institutions Report

ASC Date: 12/11/2011

Meeting Date: 11/15/2011 7:00 PM

Members Present: 16 and 15 voting members

Location: 2565 E. Kaley St

Opened the meeting with a moment of silence followed by the Serenity Prayer. The 12 Traditions were read.

General Report: We are still currently going into 17 facilities, with 8 open facilities.

Report: I attended Regional's in Clearwater FL in November, and currently there are 5 Behind the Walls meetings being brought into Florida Prisons. Behind The Walls meetings are actual NA meetings that are located within the prisons. We are encouraging members who are interested in carrying the message into Prisons, to please see myself for more information, or Tommy V. our Regional H&I Chair to get clearance information. Our H&I sub-committee meeting has been moved to the gym at the church where we meet. I will be holding an H&I orientation this month before the regular sub-committee meeting at 6:15pm if anyone is interested in attending and being of service.

Elections: We elected T as a new panel member for the VA hospital. We are still looking to fill our Vice Chair position as well as Panel Coordinator1 position.

Concerns or Needs: We are still encouraging each GSR to go back to their homegroups, and announce the need to carry the message of recovery into facilities who don't have access to outside NA meetings, as well as the 2 positions that are open. I would like to invite PI, Activities, Helpline, and other subcommittee members to our subcommittee meeting to better serve our fellowship and community.

In Loving Service,

Jenny S. Chair
