General Report: We are Currently going into 16 facilities and have 10 open facilities.

Report: There was a shortage of literature due to our subcommittee not receiving their literature order at the last ASC. I plan to attend Regional in Cocoa this coming weekend. I was also approved to carry the message of recovery into Florida Prisons this past week. If anyone is interested in carrying the message into Florida Prisons please see myself, or Tommy V. our Regional H&I Chair for more information. We still have two positions open: Vice Chair and Panel Coordinator 1 position for correctional institutions. Please continue to announce at your homegroups the need for carrying the message of recovery into facilities who don't have full access to outside meetings such as Detoxes, Jails, Treatment Facilities, Hospitals, Prisons, Halfway houses, and other programs.

Elections: We elected Ron W. to serve as Panel Leader for University Behavioral Center of Orlando.
