General Report Introduction of a new member was manifested with hopes of becoming a carrier of the future? The helpline is in transition our past

coordinator will be moving on this month and giving up his back up position, also the spanish carrier is about to relocate the end of the month each gave there

Contributions cordially very glad to have had them on board, so were in the process of changing carriers and reorganising the helpline at this hour there is still

5 carriers, 2 back ups- i checked one block routing there seems to be a probably getting past information on per phone calls there a issue of bill payment?

The helpline would also like to incourage all members to continue to donate cell phones Metro PCS other than that all is well.
