Opened the meeting with a moment of silence followed by the Serenity Prayer. The 12 Traditions were read. Also Purpose, Concepts

General Report The meeting proceeded with getting back on point and reorganizing the helpline process, such as a recount of cell phones, & those who use

there personal cell phones. We also talked about the spanish primary carrier and back up. There are openings on the helpline Alt Chrm, Panel coordinator

also. A secretary was nominated, so the business of structure and organizing is a must there are two other matters the helpline is working on one is when I went to

onebox there method of information has changed so just getting how many calls per month is a task im on it next month in the report! Changing the back up system

One person back up all carriers of american dialect, a proposal may be in the near future. Good meeting as a matter of fact as the meeting progressed a helpline

call came in and a few newer members got to hear and see the primary purpose unfold before their eye's cool. Still open for Donations Metro PCS please

beaware all GSR's of that process. To close the helpline is doing well phone calls are being answered properly. Next meeting October 18th 6:00 pm
