## **General Report**

we had 28 members present last month 3 new attendees 25 voting. We are currently taking presentasions into 20 facilities and have 13 open presentations

We raised another 26 dollars at The SWOI christmas Bash witch brings our current total to 147.00. I am including our subcommittees findings on which facilities

Are currently in need of book donations and which facilities currenty have funding. I think at this point we are stopping the book drive and seeing where we are

at with donations and dispursing the books to needy facilities. i was contacted by the Central florida area and asked by them for our support they are asking to

take over some of our presentations.
