General Report

Support from our fellowship is needed for helpline the subcommittee. Our productivity has slowed; in December there was no quorum

as two members attended. January 16th there was a quorum with 3 members present and business resumed. We need new carrier/volunteers

however, we first must attend to business matters and preparations for the next orientation.

We completed the 'orientation format' on 1/16/14.

Our next goals are to do final revisions of carrier binder, and hold a mock orientation, then proceed to have an orientation of new helpline

carriers/volunteers.

There were no issues over the past month with helpline calls.

Please announce at your homegroup that the **Secretary position is open**, we need an organized trusted servant to take minutes every month and email them to attendees, and every 3 months update the carrier binder which requires time and a working knowledge of Word, and .pdf files.

Together We can.
