## Secretary's Report

Good Afternoon,

First of all, I would like to apologize for the late minutes and the attachments this month and let you know that I will do better soon. I would also like to thank you again for the opportunity to serve this area. I look forward to this endeavor together.

Please let me know if I did not get your report in the minutes or if you have a specific problem you need addressed in the minutes. Also I would like to know if the GSR reports page is sufficient for you GSR's as you this body is who we are here to serve. I would like to know if this page will work as it is or if it needs to be changed for a reason other than just because just because "we have always done it this way." The reason for this is because I noticed some items that were repeated on both this report and on the meeting lists.

Thank you so much.

In Loving Service
