~~Secretary's Report

Good Afternoon GOASCNA,

First thanks again for the service opportunity. I would like to apologize to Denisse R. for her name being printed in the minutes with her phone number and email address. I would also like to remind you that a list is going around for an updated Name, Address, and Email address. I would like to ask that if you have to turn in reports for the month please get them turned in either by on-line through Greater Orlando Area, hand to me, or post them on Google groups within the first week of AREA. This will help with the flow of the minutes. If you find errors in the minutes please do just as you did today and bring it to my attention at AREA.

Sincerely In Service,

Laura S

In Loving Service,
