General Report

Subcommittee met and discussed open positions. We have all positions filled with the exception of Vice Chair. We discussed Service Awareness Day and the importance of our members attending the event. We had members attend SAD throughout the day and informed people who were interested in learning about H&I and what we do and hope to see some of them at our next subcommittee meeting on 8/16/16. Our members also discussed how we can expand our message to other people who could be interested in being a part of the H&I subcommittee and brainstormed different ideas.
