General Report

We had a larger turnout this month with 5 new members with the desire to be involved with our subcommittee! Orientation was done after the meeting with our new members and also stressed the do's and dont's of having a panel leader commitment. Our subcommittee discussed the importance of the 4th concept when considering elected trusted servants. We also discussed enforcing policy about H&I subcommittee attendance while our members are holding administrative or panel leader commitments. We still have an open position for Vice Chair.
