General Report

Hi Family,

First I would like to thank my HP and this area as well as the Unidos Convention committee for the honor and the privilege to be of service.

I would also like to offer my most sincere apologies to this area and to Sharon for my disruptive behavior at our last area meeting September 11, 2016. I'm grateful for the NA program for the ability to work my 10th step on a daily base and to be able to recognize and correct my wrongs.

We are getting close to the convention and the committee is very excited and would like to ask the Greater Orlando area for their support. The home groups newcomer packages will be distributed today, we have an awesome program along with a free comedy night and dance on Friday and a free dance on Saturday and of course the love of this amazing fellowship.

Today will be at our last food fundraiser at area and I believe when I last talked to Lisa, Unity is taking over.

We also need direction as to where are we going to be storing the Unidos merchandise and equipment after the convention since there's no vice chair and we don't know what's next but of course more will be revealed.

In loving service

Mercedes I.
