## **General Report**

Good afternoon everybody. I am sorry I am unable to attend our monthly Area meeting, but due to the unexpected weather and change in our ASC date it overlapped with an out-of-state trip that I will be on for the next week. Last month at our subcommittee we had a few new members present, of which orientation was conducted after our meeting. Our subcommittee secretary was not available to attend our meeting last month, so we discussed during open discussion about how we can assist her in serving our subcommittee along with some other general discussions. Our service body requested that the admins meet with our secretary in private so that we could come to some solutions. Due to personal problems in her life happening and trying to deal with life on life's terms, our secretary resigned from her administrative position because she felt as though she could not serve our body and our purpose to the best of her ability. There was a nomination for Vice Chair for Nikki R.! She has been with our subcommittee for an extended period of time and has the willingness to serve as well as the availability and understanding of the requirements of the position. Nikki R. will be attending area to go in from of the ASC for a possible election into the position. Everything else has been running smoothly. Thank you for allowing me to serve!

## **Elections**

None

## **Concerns or Needs**

More people to attend our subcommittee meeting to take on a panel leader position to bring more presentations into open facilities. We also need more people to fill out clearance forms to get into facilities that requires it. Please also be aware that we now have an open position for secretary.

## **Upcoming Events**

None

## **In Loving Service,**
