

# GOASCNA Hospitals and Institutions Report

---

**ASC Date:** 11/13/2016

**Meeting Date:** 10/18/2016 7:00 PM

**Members Present:** 22

**Location:** 2565 e kaley ave orlando fl

Opened the meeting with a moment of silence followed by the Serenity Prayer. The 12 Traditions, H&I purpose and clarity statement were read.

## **General Report**

We had a productive subcommittee meeting! Due to our secretary stepping down, a member updated the meeting roster to assist with coordination and better organization for moving forward. The policy was discussed and the theme was "let's get into the solution." We also implemented reading the 4th concept before carefully electing trusted servants, as well as recalling the duties and responsibilities for a member of the body willing to take on a position. Lia was nominated for secretary and will come back to the next subcommittee meeting to be voted in as she did not meet the attendance requirements to be voted in at the time.

## **Elections**

None.

## **Concerns or Needs**

More able and willing members to attend our subcommittee to fill spots at facilities that have no panel leader, along with more members to apply for a security clearance at facilities that require it. Side note, a criminal record does NOT mean an automatic refusal of a submitted application, but if you dont submit one, then it will be a no! It's better to try and receive an answer than not try and get no answer.

## **Upcoming Events**

None

## **In Loving Service,**

Joey P., Chair
