Unidos en Recuperacion X

Mercedes I. Chair

Hello family, I'm honored and full of gratitude for the opportunity given to me by the Goasna and the Unidos committee.

We had our closing meeting with five (5) members in attendance. Everyone express their gratitude. The convention was a success, the primary purpose to carry the message to the addict that still suffers was achieved.

Attached is the treasurer report. There was some merchandise left over and all of the Unidos supply was taken by Rafael to be stored at his house, they expressed hope that the Unidos convention will continue.

We had an awesome team and I'm so grateful to have been a part of.

In loving service

Mercedes I.
