Activity Ad-Hoc

Hello Family,

I'm grateful to my HP and this area for the opportunity to be of service.

We had our first meeting and I am grateful for the Unidos team that stayed to be of service.

We discuss the event date and came up with February 25, 2017 or March 4, 2017. We also discuss having dinner, one (1) speaker, comedian and a dance with DJ. There's a couple of places we are looking into to have this event.

I will announce our next meeting through the Google groups as we have a lot of holidays coming up.

Wishing all Happy Holidays
