M is on gowebpage. New church name discussed for rent. One new member to be added. Rent is higher, could be double. Discussed potential meeting spaces for next year. Discussed consistency when posting item descriptions on the website, specifically ASC minutes. FNL wants their new location added for January meeting list. Updated meeting list. We're adding a radio button for "meeting list requests", because there is no option on our website request page. There's a syntax error on the same page, we're going to fix it. We're also going to work on it together to create the entire form in PHP. M is in the pipeline to take over flyers next month. We're going to show them how. We're also going to inform Area about the form change.
