

# GOASCNA Hospitals and Institutions Report

---

**ASC Date:** 1/8/2017

**Meeting Date:** 12/20/2016 7:00 PM

**Members Present:** 17

Location: 2565 E Kaley Ave.

Opened the meeting with a moment of silence followed by the Serenity Prayer. The 12 Traditions, H&I purpose and clarty statements were read.

## General Report

Our group met last month and went over general business as usual. We had 4 new eager members attend our subcommittee that completed orientation and have the desire to fulfill a commitment when they complete the necessary requirements beforehand. We discussed our current rent space being in our last month of contract and the ideas of new locations. I met with a church in Longwood that agreed to accomidate our facility and honor our current rent agreement of \$20. The only issue I could foreshadow making that location our new meeting space is that she explained to me that the only availability to meet is on Friday nights. I am still waiting to hear back from another facility that would also honor our rent and has more open time space. A decision, hopefully, should be made by the end of this week.

## Elections

None

## Concerns or Needs

As always, we have plenty of open panel leader commitments available and could always afford to expand our group and carry the message of recovery into more facilities.

## Upcoming Events

None
