

# GOASCNA Hospitals and Institutions Report

---

**ASC Date:** 2/12/2017

**Meeting Date:** 1/17/2017 7:00 PM

**Members Present:** 17

**Location:** 1035 pine hollow point drive altamonte springs

Opened the meeting with a moment of silence followed by the Serenity Prayer. The 12 Traditions, H&I purpose and clarity statement were read.

## **General Report**

Good afternoon family, at our last subcommittee meeting, we discussed business as usual. We have no discrepancies at any of our facilities, however 3 member's terms were up for their commitments which added 3 more open facilities to our list. We did have 3 new members attend though, with the desire to attend the following month and pick up commitments. While we have a lot of our panel leader positions filled, we currently have 26 facilities that need willing members to bring presentations into. All facilities are equally important and deserving of a presentation brought in, and we need people with the desire to give of themselves to those who may be struggling and needing a message of hope and recovery in their facility. Last month we removed our Panel Coordinator 2 from her position as she missed 2 consecutive subcommittee meetings unexcused, and 1 more prior to that. We also discussed our new location which has been transferred to St. Stephens Church, in Longwood on the third Friday of each month at 7 PM. Unfortunately, the church currently only has availability for us on the nights of Friday, however some of the members expressed that they were displeased with the day we would be meeting. I will keep my eye out for another location that would be able to accommodate us on our usual third tuesday of the month, or try to communicate with the church activities director if there will be an opening to transfer the day we meet in the near future.

## **Elections**

None

## **Concerns or Needs**

More members with the desire and availability to bring a presentation into the facility of their choosing.

## **Upcoming Events**

None

## **In Loving Service,**

Joey P., Chair
