General Report

Our subcommittee met last month and reviewed business as usual and had 7 new members in attendance with the desire to take commitments once they meet requirements. We had 3 previous members get elected into facilities of their choosing. We are currently going in to 7 correctional facilities, and have 28 Open facilities needing a message. We also discussed our involvement in SAD, and our subcommittee voted on our participation being a "do's and don'ts" skit during our time slot, and providing an NA piece of literature for the winner who guesses how many "don'ts" there were. We also discussed the changes in our GOASCNA guidelines in the H&I portion. Our body also discussed upcoming nominations and elections of trusted servants within our subcommittee.
