General Report

Greetings Greater Orlando! "NA service is a team effort" and I am ever so grateful to belong to this team! Words cannot fully describe the depth of gratitude nor the unlimited growth and knowledge I have obtained as a result of you allowing me to serve this fellowship. Thank you!

- Our Next Regional Service Conference Weekend will be May 18-20, 2018 at the Tampa Downtown Hilton which is the host hotel for FRCNA.
- Saturday, May 19th FRCNA is hosting a Speaker Meeting followed by a Masquerade Ball w/Rival & DJ Skeelow. Event is \$5.00 or free if you register for FRCNA.
- The Florida Regional minutes are online at www.naflorida.org – please let me know if you need assistance with accessing them.
- May's RSC will be the end of my term as your RCM1 at the region. Is there any special topic you would like me to bring up during Area Support or Fellowship Development?
- Our RD/AD team attended the WSC 2018 in California. There were no updates on NAFlorida.org like we received during WSC 2016. The RCM team will include information in the next report or email the Google Groups with the CAR/CAT vote results as soon as they are posted, as well as any important information from our World Wide Fellowship.
