Concerns or Needs

Concern: Lack of meeting attendance which will greatly impact the Helpline's ability to meet the needs of the public should we abide by the guidelines and eliminate those who enjoy this service commitment but don't enjoy attending meetings. It is estimated that 94% of the Helpline body will no longer be able to serve come July 1, 2018 if they do not attend the June 16th meeting. Need: To be proactive and forward thinking about a plan of action to restructure the guidelines to accommodate the Helpline volunteers and the public focusing on meeting attendance, monitoring helpline volunteers for change of clean date and retaining 24 hour coverage for the Helpline.
