WE are not comfortable in not knowing one way or another whether the bus signs are going to be up after the Lynx contract expires in October  
SPECIFIC CONCERNS OR NEEDS: Our concern is to be more cost effective with such as the Seminole School Literature Projects as well as putting up the "tear off" Helpline number sign in convenient stores and laundry mats and etc..

## July 10, 2004 - Pre-Convention Spanish Groups Report:

We begin our report first with answering the questions, which this area asked of us

Are there other areas willing to participate in a Spanish Convention?

Although the topic of the convention has been discussed with other groups in other areas, creating a convention together would need the approval of the areas involved. Up to this point, the Orlando Area has not made a decision to partake and/or support a Spanish convention, which poses a challenge to arrive at a consensus with groups in other areas where Spanish groups are in existence.

The Tampa Spanish group has expressed their support for the convention and even wish to unite with us in order to raise funds for such. Orlando has 3 groups in Spanish. Supported by the Orlando Area. Tampa has one group and West Palm Beach 1 group. Daytona has none. Heartland none. Treasure coasts none. Pensacola none. We are presently in discussions with members from Miami. We have received positive responses but are awaiting other groups' consensus since Miami holds a lot of Spanish meetings. The overall feeling from various groups is that it will be supported. We have communicated with the World Service Office, Spanish liaison Johnny Lamprera who informed us that if the Orlando Area gave its support, a Spanish Convention, would be a great opportunity to unite its Spanish-speaking members in a celebration in the states.

Another matter which the Pre-Convention Spanish Groups wished to address was the implication posed to the groups "Were we in line with spiritual principles?" Our response to that question is - we are indeed - A Spanish Convention is not in violation to any the spiritual principles of our NA fellowship — We have not violated any principles, nor our members, or Narcotics Anonymous as a whole. If there is NA literature that reads to the contrary, we ask that it be presented to us and we will assuredly review it and make any allowances to comply — The difference in language does not dilute the spiritual principles, they are the same no matter what language they are spoken in.

We realize that there have been many discussions back and forth concerning the proposed Spanish Convention since we last attended this area with the report. Unclear and erroneous information and intentions traveling to and fro, which we believe were addressed in the meeting held yesterday at 6:00pm at 100 Columbia Street, where all who were truly interested or concerned were invited via email and others even verbally.

We are happy to report that in attendance were Chris the Vice -chair of this Area ,Biff RCM for the Orlando Area, Tariq the Chair of the Unity Sub-committee, Mitchell Activities Chair and Jake GSR Our Primary Purpose. We publicly thank them for their presence, their interest, their input and their commitment to the NA fellowship as a whole. A question was posed to the Spanish groups as to weather having a bilingual 50/50 convention would satisfy the population addressed, it would include Spanish workshops, speakers, translators, earphones, etc. but the consensus of the Groups after taking a vote was to have a Spanish convention as originally inspired and proposed, with English meetings available.

The discussion on translators does not offer a translation in emotions and feelings, no matter what the visuals of facial expressions offer, particularly for newcomers. In addition, in their experience, the delay factor involved in the translation effort is not viable for the Spanish speaking members — we emphasize Spanish Speaker only — not the bilingual members. Part of message is lost in the translation. The members expressed varying points of view in support of their stance on this topic; too numerous to address in this report but by vote it was evident that the desire is for a Spanish Convention to become

a reality where they can celebrate, fellowship and unite in the language they completely understand. Again, we invite any interested members to attend our Pre - Convention Spanish meetings if they desire more information or understanding of such. Our next meeting will be held on August 7, 2004 at 100 W. Columbia St. , Orlando Room A 6:00 P.M.

We also heard the opinion voiced on the floor regarding "dividing resources" due to so many of the positions in this area being vacant. It is unfortunate that Service has always been a dilemma for our fellowship. This fact, we believe is clearly evident to us all, particularly the members who are committed to service. Not enough of our members step up to the plate to give back what was freely given to them. Yet our fellowship continues to grow and expand. This has nothing to do with having a Spanish Convention or its Pre - Convention Spanish Groups. Members of all languages have a choice as to where they choose to serve, the important factor we believe, is that they serve the fellowship of Narcotics Anonymous, not where they serve or in what language they serve. That is and always will be an individual decision that lies on individual members. We feel that a Spanish subcommittee or a Spanish Convention would not and does not divide resources; on the contrary it extends resources.

We have now addressed the questions and concerns raised at the last area meeting so we move to our request.

From the report we gave this area last month, and the information we provided today and issues clarified, we believe it is not only feasible but a reality that the Spanish Convention can take place in Orlando.

We humbly ask for your blessings. We accentuate humbly, because our intentions are well meaning, we wish to service the Spanish speaking members with a celebration that is all to common to our English speaking members, with the same impact that English conventions have. We, the Spanish groups have done our work and are clear on the motives for having a Spanish Convention. We honestly, don't see why there would be opposition, since its members are willing to do the footwork, & raise the funds for that specific reason, but we have taken note that this is opposition is not unusual in our very diversified fellowship.

And so again, we humbly ask for your blessing in making the Spanish Convention a reality. In asking for your blessings we include the request to bring the flyers to this area for the fundraisers, add the events to the activities committee calendar, and have the RCM take the information to region on behalf of the Orlando Area.

If your blessing were not given then we again humbly ask, Why not?

If you have any questions for this committee we ask that you give us time to respond since we would need to take the questions back to the Pre- Convention Spanish Groups as a whole for a unified response.

This concludes our report. We now await your response.

In loving service,  
Pre- Convention Spanish Groups

Area Chair Report            7/11/04  
Orlando ASC of NA,

Let me say that without a doubt the last two years of serving on the admin committee of the ASC for Orlando has been an exercise in recovery. I remember sitting as an Alt-GSR for the Give it up group, some 15 years ago; coming to area then is not that much different then today, some of the same people are still coming in fact. If anything we have all grown, and ASC is now shorter. (Most months)

I feel that being Chair of the ASC as given me a wonderful opportunity to grow, and I thank you all. Words can not express the feelings that I have by being asked to serve. I have found new ways to accept challenges, criticism, inventory taking, disrespect, without lashing back, (although not at first) I have found love, respect, and a new sense of belonging by being at ASC. At times I have not been the best Chair this area has seen, I do know I have been the best I can be, and that is because of your love.

While coming to ASC may sometimes seem a burden, and chaotic at times, I have never stopped believing that our primary purpose is being fulfilled. I would say that is what keeps me coming back, and saddens me when I think of not coming back to ASC.

To the incoming Chair, good luck, and if you need me I'll be there, to the ASC, please remember we are all here to learn, love and please always carry our primary purpose in your hearts, if we all can do this, we will not only save lives, it will attract new and old member to come to the ASC, to continue fulfilling our primary purpose. I look forward to serving this area in some way in the future.

In loving Service,

Darren Schmalting
