### General Report

We held our subcommittee on September 19th, 2017 at 7:00 pm. There were 25 members present, including 3 new members.

No orientation was held last month due to no attendees, but we had FIVE new members in August that attended the orientation.

We are currently taking in 12 presentations into 6 different clearance facilities and 13 presentations into 10 different non-clearance facilities with a combined total of 29 panel leaders with commitments at this time.

We currently have 10 open commitments at clearance facilities and 16 open commitments at non-clearance facilities. Please keep in mind that most of these facilities have multiple presentations on our listing as some facilities request more than one weekly meeting from our H&I subcommittee. With that being stated, only 4 clearance facilities and 5 non-clearance facilities are not being serviced at all at this time. We are hopeful that this can be changed in the near future as more and more new members come to our subcommittee and former members return.

5 Orange County clearance forms and Letters of Recommendation have been submitted since our last subcommittee meeting. This is a big deal!!!

We placed a literature order in the amount of \$297.09 with our Area Literature Distributor earlier in the month as our reserves were depleted at the close of our subcommittee and this was a necessary course of action to meet our needs due to not meeting last month.

Our subcommittee has finally reviewed the final section of the policy Ad-hoc's recommendations for updates and housekeeping changes. We are reviewing the entire proposed revised H&I policy one final time before submitting this to the group's for review at the next Area.

### Elections

Fortunately, all of our admin team and panel coordinator positions are filled for this fiscal year! We elected five new panel leaders - 3 taking a commitment by themselves and 2 co-chairing with another panel leader at an existing commitment.

### Concerns or Needs

We need more NA members with clearance to be support to our existing panel leaders at Osceola, Orange and Seminole county jails and other correctional facilities so that there are more speaker options and panel opportunities for these facilities. Please spread the word that just because someone has a record, this does not guarantee denial for approval by the County Volunteer Coordinators.
