Members Present: 2

Opened the meeting with a moment of silence followed by the Serenity Prayer. The 12 Traditions were read.

General Report Reports were read and excepted, at this time we only have 4 carriers so were looking for a fifth it seem one of our carriers is at a difficult point in life and it would be mundane to continue without getting situated, so there fixing some issues. The manuals are almost complete also attendance was talked about? we dont have a large group, so GSR's put out in the groups helpline is looking for trusted servants. Other than that the helpline is functioning well no major problems 4 carriers, 2 back up's next meeting november 17th, 6:00pm 2011 at First Christian Church of Orlando 2565. kaley
