

# GOASCNA Chair Report

---

**ASC Date:** 12/11/2011

**Meeting Date:** 12/8/2011 1:27 AM

Welcome to all new members and those returning, we're glad your here... Keep coming back.

I would like to take this opportunity to remind us all that "The Greater Orlando Area Service Committe", is "The Workhorse of the Service Structure" as written in our Guide to Local Service's page 45 and on page 46 we wrote and I quote, "AREA COMMITTEE PARTICIPANTS: There are three groups of participants in most area service committees:GSRs and theiralternates, administrative officers, and subcommittee chairpersons. The Seventh Concept for NA Service says that, "All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes." Group service representatives provide a "grass roots" perspective to the area decision-making process, helping ensure that the committee's feet are planted firmly on the ground. Administrative officers and subcommittee chairpersons also bear substantial responsibility for the fulfillment of area services. Their ongoing growth and experience in carrying out their duties is an invaluable resource to the area as it develops and expresses its group conscience. We ought never allow a base of valuable experience to be created without utilizing it to the fullest. Each area is responsible to create its own decision-making plan. In doing so, area committees should carefully consider the Seventh Concept.

We come together once a month for three hours,, 1PM to 4PM... Let's stay focused and committed.  
WE ALL NEED TO BE PRESENT FOR THE COMPLETION OF OUR BUSINESS!!!
