## **General Report**

27 Voting members Present and 4 new members we are currently going into 24 facilities and have 11 open facilities. It was brought to my attention that

one of our new members was a home group member of ther Newly formed area. She questioned me that she did not wish to give up her position as a H and I

Panel Leader that she gets alot out of her Commitment. I looked into our policy and have told her that she is more then welcome to serve as a Panel leader as we have

Nothing in policy to say no she cant and I support her decision to let us no about this and hope we would do the same for any other areas and them us.

**Concerns or Needs** Always in needd of panel Members speakers and Panel Leaders
