General Report

- There are 3 new videos about the CAR report explaining the contents. We discussed directing people to na.org/conference
 - <http://www.na.org/?ID=wsc2014-videos>
 - We added the links to the "documents" page on our site. We discussed having Eric edit this page to clean it up and he has already performed some of this task.
- Members added to the GOASCNA Google Groups:
 - 2 new people were added to the group; One person was already a member of the group and was reviewed for posting privileges.
- Added Webpage and Celebration of Unity subcommittee meetings to the Google calendar.
- We had a group tutorial on calendar requests and updated the records.
- We had a discussion last week regarding a group's recent flyer for "movie night" and whether this was an implied endorsement. We had some feedback from various webpage members which seemed to reflect a possible confliction with our traditions.
- One of our members brought up the idea of adding a "speaker section" to the GOASCNA website. This would be where home groups can record speakers and upload them to our website. There were a few questions raised about this process and the topic/idea did not appear to go any further.
