## **General Report**

**Dicussions:** We went over contents of school packets for Seminole County High Schools which include: NA-a resource in your community, 2 meeting lists, 2 Pull Tab Sheets, Am I an Addict?, For the Newcomer, Welcome to NA, By Young Addicts For Young Addicts, For The Parents of Young People in Na, Information about NA. Total cost \$3.24. I have not received a call back from Mike at Seminole Schools and I will continue trying.

We gave out several Pull Tab Packets to attendees and more are on the way. So far, 6 groups are willing to participate in project.

I gave out handout on "PR Basics" to new members so they may familiarize themselves with PR.

We talked about themes and games for our Area Learning Day.

Finally, we discussed a new approach to getting others involved in service. We have to make it attractive by talking about the benefits and that members are missing out on so much and limiting their recovery by NOT doing service. We need to stop begging and start showing them all the PROs of service work.

\*\*\*\* Please encourage members to get involved with PR !!!!!
