Read minutes from previous meeting.

Old business: . Belle Isle Fall Festival 10/29/19 from 10-3. We will schedule a PR presentation with the Sheriff after the election. Pete also met with Bill Sublette The School Board Chairman. We will schedule a presentation sometime soon. Marc is working on getting permission to hang pull tabs in the Orange County probation offices.

New business: Liz suggested going over the PR handbook and learning how to do presentations. Dress code for presentations and other functions we may attend should be business casual. If you only have blue jeans wear your nicest blue jeans and a collared shirt. Greg said he is available to help do things during the day. Mark and Liz to bring preliminary info for Sheriff's presentation next meeting. Pete to create a task list of things we would like to accomplish and bring to the next meeting so we may begin strategic planning. Everybody please email Pete with any suggested projects or ideas you can think of so he can add them to the list. PR to possibly meet with treatment facilities that take clients to meetings about the impact of their client's behavior at the meetings. Everyone was asked to take the time to read the 4th chapter of PR hand book before the next meeting and be ready to discuss in meeting.

Meeting adjourned at approximately 8:15
