I would like to thank our RCM 1 for her service! Anne H. gave the Greater Orlando report at the last RSC and thanked everyone and expressed her gratitude in serving our Area at Region. Unfortunately, due to a family situation she is unable to attend today's Area meeting and has asked that I prepare and give today's report. INFORMATION/NEWS/TOPIC DISCUSSIONS:

- (From the Regional IT Coordinator) “the topic brought up by Kris W., the Corrections Resource Coordinator, has caused me a number of concerns. The person he mentioned printing literature is my great grand-sponsor. I would like to bring up the following topic to the RCM’s for discussion with their areas.”
- The FRCNA Registration Drive event during the May RSC at the Rosen Centre on Saturday, May 20th was a huge success! I was informed by our RCM 1 the food was delicious, the Speaker was awesome and the Comedian was hilarious.
- FRCNA 36 Volunteering Opportunities! There are many ways to do some simple service during your attendance at this convention; Merchandise room for the RSO or for Merchandise Subcommittee, Marathon, and Hospitality. You can register to volunteer online at <https://www.frcna.com/volunteer> or you can email your name and telephone number to frcna@naflorida.org.
- Originally FRCNA was contracted for 906 rooms and they later increased it to 975 room nights. They now have over 1,000 room nights reserved! Also, really great news regarding the parking; the entire weekend will be covered with a one-time \$5.00 fee along with a FRCNA registration badge and voucher!
- If you don’t have enough time to go to many subcommittee meetings but you have a desire to learn more about our fellowship and the different resources you can visit the following link and attend NAWS WEB MEETINGS: www.na.org/webinar

Web Meetings Available: Public Relations, Inmate Step Writing, H&I, Conventions and Events, Local Service and Rural Service.

- The topic of the ‘Anonymi Foundation’ was brought up and discussed during Area Support. Not many in the room were aware of this foundation; the only members who knew anything about them were those who are in Areas that have groups that violate the FIPT and copy/distribute illicit literature. Also, it is important to note that there were quite a few Areas absent at this RSC; 12 present out of 20 total Areas.

PROPOSALS: Tabled to next RSC

FRC to schedule hotel for RSC (03-05-17 Modified Proposal 5/21/17)

Proposal: To have the administrative workgroup schedule and coordinate the selection of a hotel for Florida

Regional Service Committee (FRSC) Weekends with the Florida regional convention of NA.

Intent: Turn over the responsibility of selecting and reserving the hotel(s) and meeting space to the administrative workgroup who will coordinate with the FRCNA BOD. FRCNA BOD has more experience and leverage in negotiating reasonable rates for rooms, meeting space and other amenities such as lower discounted parking & meals while at the selected hotel.

Spiritual Impact: The original decision to rotate RSC weekends to member areas was to promote unity (Tradition 1) With ever rising costs, this proposal’s intent is to promote fiscal responsibility (Concept 11, transparency and inclusivity in the decision-making process (Concepts 2 & 6), communications (Concept 8), and adhering to the Florida Region’s Purpose and Vision statements.

Financial Impact: No Projected increase to current Budget

Maker Uncoast

Proposal: Reimburse the Uncoast area for additional Room Nights at the Florida Service Symposium Amount \$420.00

Rationale: Through misunderstanding and miscommunication The Uncoast separately reserved three additional nights at the FSS, believing that there were filling empty rooms . In the past years the RSC has has to pay for empty rooms, and it has never been a problem getting additional bed space for extra people. There were at least three regular members in that room each night. evidently, their names were not given to the Secretary Team, an oversight, as they were on the RCM's list of rooms assignments. The Uncoast had additional rooms reserved for their RCM and the three RSC trusted servants from the Uncoast Area, so those room nights were paid for by the individuals involved. were charged back \$420.00 for the extra room nights . We believed that the RSC paid fro those room night as part of the room block, so we are asking for our \$420 Back. The Uncoast ASC is currently over committees by almost \$500 more than the Prudent

Reserve. Should we not be reimbursed, we will be unable to send representatives for two and possibly Three RSC, and we presently have a policy -mandate freeze on literature purchases for H&I and PR community Literature Display programs Until prudent reserve is restored

Outcome: Not to be voted on until next RSC
