General Report : Welcome to all Greater Orlando Area members ! " Were glad your here" Communication is the key ! I would like to remind all GSR's to take into consideration of the Area's business before leaving early let the secretary know and to those who stayed which were many thank you again. The Greater Orlando Area the storage unit came back up and was quickly resolved by a committed team of members who sacrificed time and effort to find a solution to a dilemma. The subcommittee's were asked to summarize the reports read to the body this gives the greater orlando area more time to finish their business or even shorten their business. Also let us remember to keep our question on topic and control ourselves as attractive representatives of N/A. Please be considerate of all topics and members let us refrain from sharing excessively. (Attractive) the admin staff has been exceptional in helping answer questions and creating questions which need more research. The whole overall Area gets an A+ period your time and effort is noted. Keep up the phenomenal work Greater Orlando.
