General Report

Phone Line Coordinator Report: April 1- April 30 155 Calls; 11 of those were on the Spanish Line

May 1- May 31 165 Calls; 19 "" "" " "

Phone lineVolunteers Reports: The Committee has no idea whether the increase in Volume was due to more in person meetings opening or something else because many of the phone line volunteers have not attended the subcommittee meeting to share that information. We have reached out to no avail. The committee as a whole feels that by not attending the subcommittee meeting which according to our guidelines is a requirement, they are not fulfilling their commitment, not contributing positively to the subcommittee and are being disrespectful to the members of the subcommittee who are fulfilling their commitments.

Open Floor: Subcommittee starting to meet in person; undecided at this time.

Subcommittee Liaisons Reports:

H&I: working with Nick to get Orange County Jails back up. Looking for list of facilities H & I couldn't get into yet. PR contacted HI Chair and ask if they need literature, presentations or other information and provided a contact name and number for a facility seeking a meeting. .

- June 15 @ 8:00 pm – 9:00 pm Eastern Time (US and Canada)
July 20 @ 8:00 pm – 9:00 pm Eastern Time (US and Canada)
- In Person Meeting Update - Several meetings have gone back to meeting in person in our area and some will be very soon. Meeting places are changing so we implore you to help us keep our meeting information up to date by following the protocol sent out every single week in how to post meeting changes or new meetings, etc. We would also like to hear from the meetings that have re-opened as to whether or not they have more people than before COVID? Less? Hybrid? It would be extremely helpful for when we meet with the private and public sector to be able to provide this information. We appreciate your cooperation in this matter. A short statement to the google group or directly to the PR Subcommittee through the website contact would be very helpful and only take a minute or two.
- Address NAWS survey re: Virtual Meetings encouraged to take surveys if not already done as there are 3 days left to do so. Professional Survey results will be posted.
- GSR Assembly Survey QR Code in Chat box. Please take the time to fill it out.
- Discuss Virtual Meetings and our service structure and take survey on na.org.

- Helpline Volunteers (Millie is creating a flyer)
- Vice Chair Position is Open in July – Kate C would like to acclimate to Chair Position
- Secretary Position is open in July
- PR Week June 6th through the 12th
 - Third Tradition Awareness – A quote from our literature was posted each day to the google group for PR week and hopefully many home groups used this week to discuss the third tradition in their recovery meetings.
 - We will post the entire Power Point on our Web Page as soon as we can coordinate that with WP Chair person.
- Facebook Page (Push only page) subcommittee still feels strongly regarding the need for this and it will be continued to be discussed at the Subcommittee and presented next month at ASC. Our Webpage is not providing succinct clear information to the public (based on phone calls we are receiving). The most common complaint is that they do not know where to look for information about NA.
- We would like to receive a quarterly analytics report from the Web Page Committee providing landing pages, number of visitor's, etc. We received phone call from the mother of a 19 YO who had looked at our webpage and stated "she didn't get anything from it"
- Next Meeting Date June 25 2021
