**Meeting Date:** 2021-06-15

## ASC Report

### ◦ **June Meeting**

- 06-15-2021 at 7:00PM via Zoom
- Orientation held at 6:30PM with 0 in attendance
- 17 in attendance
- 6 Facilities - 12 Commitments (in person)
- 2 Facilities - 3 Commitments (virtual)

### ◦ **Agenda Items**

- Facility Updates
  - It has been noticed that there are people doing H&I that have not connected with the subcommittee. We humbly ask if you are or know anyone that is doing H&I in this way to please check in with the subcommittee. Our purpose to members is to provide support through literature and administrative communication with the facility.
  - First round of calls has been made and there are numerous facilities ready and willing to receive H&I meetings. Coordination will come over the next few months to define and fulfill these commitments.
- Subcommittee is looking to resume in person monthly meetings. Contacted potential new location, awaiting response. Goal is to come to an agreement, vote in July's subcommittee meeting, and be in by August.
- Elections
  - Steffi S. has recommitted to secretary for another year.
  - Alyssa S. has committed to vice-chair.
  - Potential candidate showed interest for literature distributor at meeting when H&I member announced our open positions.
    - Alexander S. will take the H&I literature for the time being and support as a non-commitment until the position is filled.
  - Literature Distributor, Clearance Coordinator, and Non-Clearance Coordinator remain vacant.
- Outgoing chair comment
  - Thank you for allowing me to be of service. Anyone in a trusted service position should be proud that WE helped the program that saved our lives weather the storm of a global pandemic.
  - The mission of the incoming administration for both H&I and GOASCNA is to take this as an opportunity to build a better normal than before.

In loving service,

H&I Administration
