## **General Report**

### **Meeting 6:30pm- 7:15pm**

**We discussed and recapped next years budget of \$1200.00. We discussed not putting any effort into repairing the report portion of the web page, however we discussed the importance of that working on the new webpage. We talked about switching over to the new zoom account since the old zoom account has expired as of January 29th 2026. The new zoom account has been activated and is under the webpage credentials. It is currently being paid for on a monthly basis and will be switched to an annual expense later in the year, This decision is to try and keep all expense to be paid around the same time of the year and before the next Facilitor takes the position. We closed with a moment of silence and the "we version of the serenity prayer".**

**In Loving Service,**
