General Report

Email was sent out to Google groups as a reminder to see if their homegroup was interested in participating in the 39th virtual area anniversary so far we have participation from homegroups from the Greater Orlando Area. So far we have over 82 years of combined clean time from all our speakers which we think is pretty cool. Donation was decided on for the Virtual DJ & Flyer was submitted to the website and will be updated with the ZOOM information as soon as we have it available. Our Vice Chair Sassha L notified the committee at this meeting that she will be unable to acclimate to Chair after her service commitment of Vice Chair is up. She is grateful for the opportunity to serve the Greater Orlando Area and her intention to notify the Area in advance so that there is ample opportunity for the Chairperson commitment to be filled once her term is up.
