RD/AD - working with South Florida regarding a venue for a World presented CAR/CAT in December 2022 or possibly set it up for hybrid. More will be revealed. With the CAR coming out in November of this year and hopefully we will be prepared with what is to come and with the discussions next region and further discussion from areas, we will be able to make an informed decision when the time comes in March of 2023. As for the collaboration of zones more will be revealed, and we will continue to ask questions and hopefully have some of the committee working on it here via the virtual platform next region on September 17th to answer any questions we still have, so at this time we are not asking for a straw poll as the committee agreed to wait for the regions feeling if they should move forward now until our November Region. Remember to please compile your questions and send them to the Bay Area RCM Adika C. Bay\_rcm1@naflorida.org

Situation In Iran

\*The World Board and NAWS have received many questions about some postings on social media related to recent decisions in Iran for the Iran region to print and distribute NA literature. The region did not attempt to discuss this decision with NAWS. The World Board or announce their intention to the WSO, NAWS, or the World Board. NAWS and the World Board are currently attempting to communicate with the delegate and other trusted servants from Iran.

WCNA 39:

World Convention will be returning to Washington, DC, 29 August – 1 September 2024!

DRT/MAT The 2018 World Service Conference adopted a motion charging NA World Services with creating a project for a new piece of recovery literature about DRT/MAT as it relates to NA. World posted a survey at [www.na.org/survey](http://www.na.org/survey) to gather the Fellowship's thoughts and ideas for what to include in a piece of NA recovery literature about this topic. Please fill out the survey,

As suggestion by the World Board to transition to a three-year World Service Conference cycle. At this time this is only a suggested solution to the long-going discussion about the sustainability of the conference as it is. While there was lengthy and lively discussion there were many questions, many having to do with the actual workings and purpose of the World Service

Conference. The purpose of the Regional and Alternate Delegates was also discussed. There are pros and cons Literature process changes?

### ***Old Business***

**Proposal: Move RSC Bank account to Chase with RSO**

**Financial impact: none**

**Guide Impact: none**

Guide Changes / Description: Currently the RSC's bank account falls underneath the RSO's account. The RSO

has moved their account to Chase Bank and the RSC will be following suit. We have had troubles with transferring

admin members signature cards due to procedural changes. We also would like to keep the uniformity and

continuity of remaining at the same bank as the RSO as the RSC falls underneath their EIN. The current bank account would remain open until the end of the fiscal year May 2022.

Rationale: Concepts 8 and 11 and continuity and alignment with the RSO and structure of our finances. Impact: Spiritual impact: none, Financial impact: none Outcome: This will be going back to Fellowship Development.
