**ASC REPORT:**

**THE GREATER ORLANDO AREA OF NARCOTICS ANONYMOUS**

Facilitator Department Demetrius G & Sam G

“Welcome to all” Especially those serving for The Greater Orlando Area

In my report, we have no major issues on the floor. All subcommittees are Carrying out their duties.

Our hearts go out to Sam G. He lost a loved one recently and cannot be present he informed me that before the event he was conducting his responsibilities. Prayers go out to him and his family.

I called Region and World regarding insurance. The feedback varied from an umbrella covering some groups at Region to each Area carrying out their insurance policies with regards to traditions. If it does not affect other groups or NA as a whole.

The Greater Orlando Area is doing fine is problem is as good as at any time of conceptions. I applaud those who speak up in groups and make announcements about this Area. (Please continue).

A special salute to Celebration of Unity if I have seen anything since I started service you guys rock that meeting is a breath of fresh air.

We must utilize the groups more for

Carrying the message and the information of areas such as needing open positions filled. I feel grateful to my higher power, to the fellowship, and to you all. Each of you is respected and loved by me for your diligence in serving Narcotics Anonymous.

**In closing**

## Greater Orlando Area Service Committee of Narcotics Anonymous, RCM Report for February 11.2024

### Florida Service Symposium

Hello everyone, I would like to take a moment to remind everyone of the upcoming Florida Service Symposium X on March 14-17, 2024. Please note this is the \*3rd\* weekend in March, and located in the Tampa Fun Coast area. This is the premiere service symposium in the world, so if you've never been, you will want to make sure to be there. If you are a service enthusiast you will not want to miss this., All areas will have 4 room nights reimbursed. Women in Service Dinner, Saturday breakfast and dinner banquet tickets are available <https://NAFlorida.org/FSS>

(Florida Service Symposium) The cut-off date to book rooms is Feb 14th. The cut-off date to purchase Women in Service t-shirts is **February 27th**.

### **Admin Report**

#### *1. Symposium w/ Coordinators*

*a. Went over schedule with RD/AD team*

*b. Kristi Beth volunteered to do a "service etiquette" workshop c. Suggestions for Coffee Shop*

*i. Ask open-ended questions like, "What has your homegroup/Area/Region done and found to be effective?"*

*ii. Make tables with individual topics and let people sit at the tables that interest them so they can feel comfortable having small group discussions who aren't able to attend*

*d. Discussion regarding live streaming*

*i. Need more equipment - possibly borrow?*

*ii. Possibly record workshops for later*

*iii. Would be good to stream recovery meeting for member*

2. Condensed FSS Google Drive - Single source for all files related to the symposium. Can we store admin docs such as this and the hotel contracts in the admin drive? (Sec)

- a. Flyers, registrations, letters, and any other documentation.
- b. Hotel contracts and Agendas in Admin folder. We can move admin agenda into the folder.

### 3. Budgets

- a. Everyone will have their budgets in to the Treasurer team ASAP to allow for them to get everything compiled

into one spreadsheet by Jan RSC.  
b. Room, Food & Beverage (Coffee)" line item? Is it for increased hotel costs? Also want to bring up the travel

budget that was marked as partially used but wasn't actually used. (Co Fac) i. Those line items might be in the wrong place

4. Can we move the group text to What's App? It will allow people to mute when necessary, we can add/remove people without starting new text threads. We can make a couple people admins of the thread. I am happy to help with set up if this is ok with everyone. (Alt Sec) b. Possibility to use new WhatsApp Communities feature

5. For HRP: we requested the text of the Definition of RSC so we can have that updated and printed by Jan RSC (Sec)

- a. HRP will handle

6. Best process for people to submit things for the minutes that are not currently RCMs, Admin, Resource Coordinators, etc. There was a minor challenge with a flyer Joel wanted to submit. (Alt Sec)

- a. If it's from an area in the region, it should go through their area RCM. If it's from a zone or world, it should come through the RD/AD.

7. Using 501c3 for hotel booking.

- a. Everyone would have to book through the RSC account and it could get really messy with potential extra room charges, reimbursements, etc. (RD) Question from the Secretary: How much is the savings per region?

8. Email came in requesting RSO to send 501c3 form so they could use those benefits. a. The RSO's 501c3 only covers the RSO and RSC body. (Fsc)

We have made improvements to the attendance tracking you will see in the minutes. This is to more appropriately track attendance. Late/left voting will indicate that even though the area was late or left early and they were here for voting. Late/left not voting will indicate that the area was late or left early and was not present for voting. ## ***H & I Resource Coordinator Report***

The current H&I budget is still applicable, and no changes need to be made at this time. I will be starting to have a monthly H&I virtual meeting, and I would encourage all area H&I facilitators to attend. Details will be sent out as soon as I have them. More will be revealed. There is nothing else to report at this time.

## ***Public Relations Resource Coordinator Report***

Met with RD AD team and secretary team to discuss preparation for the Florida Service Symposium – Our task was to get a list of Professionals with their contact information to the secretary team so they could send out invitations for the Professional Day Workshop. We started reaching out to all the Area PR Chairs to request contact information of the Professionals and Agencies they have been working with. We began reaching out to our Area PR chairs and much of our time in communicating with the area PR chairs was spent educating them about the Florida Service Symposium. We prepared and sent out a document which included a brief history and talking points about our Service Symposium so the area PR chairs could make some phone calls and share the information. We would like to thank all of the PR Chairs for their willingness to gather their local information and send it to us.

We attended a community meeting at the Tri-County Human Services Lakeland Outpatient Office with the Heartland H&I Chair. The meeting was an introduction of the STARR Program which is Substance Treatment Advocacy Recovery and Reentry Program – the program is going to be implemented in the Polk County Jail and we are very excited to be invited and to provide NA meetings in the jail as part of this program. There will be a press conference held by the Polk County Sheriff's office.

We continue to answer emails which come from our FL Regional Website and either answer the questions or put the professionals who are inquiring in contact with the local PR committees. We held our virtual Area PR Chairs meeting on January 15th – We are very happy to say we had 15 participants including the Bermuda PR chair as well as a couple of newly elected area PR chairs.

We discussed the FSS and the Professionals Day workshop, we reviewed the World website and all of the resources available to us pertaining to Public Relations. (PSA's, Videos, Social Media packets, PowerPoints and other PR resources).

We will be attending the NAWS PR webinar on Thursday, January 25th @ 4pm – If you are interested in attending – please let us know and we can pass the virtual meeting information to you.

Our next virtual Area PR Meeting will be held the Monday before our next Regional Weekend which happens to be the Monday before our FSS.

## ***Corrections Resource Coordinator Report***

Greetings Florida Region,

My name is Colin H and I'm an addict. The Corrections Coordinator position is open and available to be filled by a willing member. There is a requirement of 3 years minimum clean time. If you have a possible interest of working more with addicts behind the walls, there's an active corrections workgroup that is looking to support you; I am currently serving as the Corrections Coordinator for the Florida Region and the lead for the Corrections Workgroup. The corrections workgroup consists of several related projects that serve to bring the message of NA recovery to the addicts behind the walls in the state of Florida. We also work with and educate the administration at the state level DOC regarding the continued success of NA to improve the lives of those they serve. Please be aware that working with the DOC does not mesh well with the spirit of rotation and does not sync up with the spirit of anonymity.

These top level projects are, Behind the Walls, Inmate Step Working Guide, Bridging the Gap, Hope Rises, and Between the Walls.

The Behind the Walls project handles coordinating taking meetings into and building home groups that exist behind the walls of state and federal correctional institutions. This includes literature delivery to institutions to support this effort. The end game for this project is to have the addicts behind the walls running their own meetings. Depending on the institution, there are varying levels of this occurring. If you are interested in getting involved, please contact me at [crc@naflorida.org](mailto:crc@naflorida.org) or join our workgroup meeting over Zoom every other Thursday evening with the next meeting occurring this Thursday, September 21st.

The Inmate Step working guide (ISWG) group is alive and well and anonymously working steps through the mail with those behind the walls. The group providing this service is based out of the Gold Coast area. The last numbers I received were that around 30 addicts were working steps anonymously with this group. If you want to get involved with the ISWG, please check out the flyer attached in my report to attend the monthly training over Zoom.

The Bridging the Gap program is also alive and well and addicts are being scheduled to meet those who are getting released at a meeting. Please bring up at your H&I areas if you would like to share your contact list with us for your area for this effort. If you are interested in getting

involved or getting your area involved, please take the flyers attached to my report and share them at your homegroups.

The Between the walls is our program is moving forward... at a snail's pace. "Between the Walls" means you will be able to chair a Zoom meeting from the comfort of your couch where all the participants are behind the walls at a Florida institution. Please contact me or the workgroup because we need volunteers to do this! I know several of you have told me that the reason you don't want to serve is because of the anxiety of going into prisons, so this is your solution! . The pilot location chosen by the FL DOC is NW Florida Reception Center and is on hold while the RSO is getting registered with the state as an approved vendor so that the FL DOC can buy basic texts. I've been in constant contact with Amanda at the RSO and this is in process. This institution was chosen by Tallahassee since everyone at that institution has less than a year left to serve on their sentence. So, ultimately we are waiting for them to buy books. While that is waiting, we started a between the walls meeting with Appalachian CI. The Hope Rises Book Project (HRBP) is a Tshirt project where each sale of a t-shirt gets a basic text in the hands of an addict behind the walls in the Florida Region. These books are entirely purchased and shipping coordinated with RSO for correctional institution delivery. I have been meeting with Johanna, Jodi, Tami, and Robert from the HRBP over the last several months to transition this project as well as their process and policy system from the Coquina coast to ours. Many of you may know or have seen them at NA events selling T-shirts as the Hope Rises Book Project. They have some great art and passionate members and we on the Corrections workgroup are excited and happy to welcome them to the fold! If you are taking meetings into your local jails or prisons and are being asked about literature or how they can get a Basic Text, please find the Hope Rises Book Project flyer attached to this report to share it with them, the local chaplain, to the programming staff at the institution.

#### INSTITUTION STATUS

Lowell meetings continue to occur at the Women's Reception Center, the Annex, the work camp, and the main unit. I'm happy to report that these meetings are going strong and there is a meeting at least Lowell every week! Thank you to the woman who have stepped up to make that a reality!

Lawtey CI meetings are alive and well and being run by several addicts with long term recovery there behind the walls. We are grateful to be able to provide literature for their meetings.

Gadsden CI has reached out to us to re-start the meeting there and we have shipped them some literature.

NorthWest Florida Reception Center is waiting on a literature purchase from the State DOC which is waiting on the RSO to register as a vendor.

I'm happy to say that the Miracle at Madison NA meeting has been regularly meeting twice a month by addicts behind the walls there since it was started by the generous dedication of time and service by volunteers in the workgroup. An addict recently has gotten cleared in the Forest area and is interested in taking a meeting into Marion CI. He has just completed his fingerprints and has a few decades clean so hopefully we will have a meeting starting there soon.

#### HOW TO GET INVOLVED

1. Check out the flyers attached to the Corrections report and share them with your area and groups

2. Attend the Corrections workgroup meeting every other Thursday from 8-9p over Zoom. The next meeting is Thursday, September 21st and the Zoom meeting info is below:

Meeting ID: 878 8421 6730 Passcode: 111111

Please join the workgroup if you want to serve but not sure how.

## HOW TO GET CLEARED FOR BEHIND THE WALLS AND BETWEEN THE WALLS SERVICE

### 1. Familiarize yourself with the process:

It is a requirement to be registered with the State of Florida Department of Corrections volunteer system as well as complete a background check and fingerprints to attend an NA meeting in person at a prison or over Zoom that is streaming into a state or federal institution.

If the process is confusing, I have attached a powerpoint presentation going over the process that is built and distributed by the DOC. Please contact me if anything is still confusing after reviewing this presentation.

<http://www.fdc.myflorida.com/volunteer/documents/Training-powerpoint-for-Regular-Volunteers-updated-10-4-21.pdf>

### 2. Apply to be a Florida DOC Volunteer

Florida DOC Volunteer Application

<https://apps.fdc.myflorida.com/VolunteerApplication/volunteer/create>

The DOC has an email problem so sometimes the volunteer forms don't get through. If you don't get an email right away when you submit your first volunteer form, (check spam), then contact me to give you another link to try.

### 3. Inform the Corrections Coordinator for applicant tracking

Forward the response email you received from the state of Florida when you applied at the link above to the Corrections Coordinator at [crc@naflorida.org](mailto:crc@naflorida.org). You can also text me at 352-642-2680.

### 4. (Optional: Track yourself in the system:

<http://fdc.myflorida.com/volunteer/Becoming%20a%20FDC%20Volunteer%20Checklist.pdf>)

The DOC has an email problem so sometimes the volunteer forms don't get through. If you don't get an email right away when you submit your first volunteer form, (check spam), then contact me to give you another link to try.

## UPDATES

Flyers for the Behind the walls, Hope Rises Book Project, Between the Walls, Bridging the Gap, and the Inmate Step Working Group are all attached to my report, please print or email them and share them at your homegroups and areas.

Tablets!

An ongoing desire and thus task within the Corrections workgroup is to provide the literature approved by NAWS to be shared on the android based tablets provided by the DOC. The legal department at the DOC has gotten back to the substance abuse bureau and the memorandum of understanding describing this relationship and what would be shared on the tablets has been approved. This has taken a few years so the DOC Substance Abuse Bureau wanted an updated memo. I worked with NAWS for this request and NAWS wanted all the DOC institutions specifically named in the document, so that has been done and submitted back to the Substance Abuse Bureau. We are meeting monthly with the Florida DOC and the current status is that all of the docs are getting manually read and listened to to ensure nothing weird is on them. This should be done in the next month or so.

The Between the Walls meetings have started and it's every Thursday from 10:30a to 11:30a. We need help and volunteers to share their experience, strength, and hope with the addicts behind the walls over zoom. Please share this with your areas and groups and distribute the flyer attached to my report at your groups.

We always want to mention and thank the East Coast Convention for their large annual donation of basic texts every year since I've been involved. Please find a Corrections Coordinator to join the workgroup Colin H

#### **NEW VERBIAGE IN RED**

"The Fellowship Development Group meets twice each RSC weekend. The afternoon session is a **deeper dive into topics requested by the fellowship, workshopping those topics, and making a determination if a workgroup needs to be put together to further the research into that topic. On-going and/or current active workgroups will be announced at each afternoon session, and the opportunity to share a status report or convene a scheduled meeting will be available. The meeting schedule of on-going and current active workgroups are available on the [naflorida.org](https://naflorida.org) website detailed in the "Workgroup" section of the Regional Service Committee (RSC) page.** Both **the morning and afternoon** Fellowship Development meetings are facilitated by the Fellowship Development Leader and/or Co Leader with the assistance of members of the Administration Workgroup as needed."
